

Oregon HPV Vaccination Week Campaign Partner HPV-pledge

Background & Campaign Details

The Oregon Pacific Area Health & Education Center (OPAHEC), in partnership with the American Cancer Society (ACS), the Immunize Oregon Coalition, and the Oregon Human Papillomavirus (HPV) Prevention Alliance, invite you to participate in the Oregon HPV Vaccination Week from **August 16th to 20nd, 2021**. Please visit our website created in 2019 for all Oregonians to have as a HPV Vaccination resource: www.OregonHPVCancerFree.org. The 2021 Oregon HPV Vaccination Week Campaign seeks to raise awareness among parents of adolescents, engage health systems across Oregon and create a call to action to initiate or complete the HPV vaccination series.

Share your logo and commitment to increasing HPV vaccinations!

The website contains a page for “**Campaign Partners**” and if you send us your logo and commit to supporting HPV Vaccination Week by signing this pledge, we will highlight your organization the following ways:

1. Show your support for the Oregon HPV Vaccination Week.
2. Inform others about the work you are doing to increase HPV Vaccination rates.
3. Affirm your organization is a local resource for any community members visiting the site.

Commitment of signing the HPV-pledge

- Plan & Implement at least one Evidence-Based intervention to increase HPV Vaccination rates in your community or health system.
- Promote and participate in HPV Vaccination Week (August 16-20) to educate your community about the safety and effectiveness of the HPV Vaccine and when possible, provide vaccinations for your patient base.
- Complete the post event survey provided by OPAHEC to report measurable impact.
- Develop a follow-up plan to complete the HPV vaccination series with reached population.
